

## CESE alumni meet:

### Panel discussion on CESE vision document

Centre for Environmental Science and Engineering (CESE) at IIT Bombay is one of the leading centres for teaching and research on various environmental issues of national and international importance. Since its formal inception in 1985, the Centre has come a long way; and has earned a name for the quality education and research. A large credit goes to the alumni of the Centre, who have performed exceedingly well in their chosen fields, and are leading in their respective domains. To tap into this highly accomplished alumni base for shaping the future of CESE, the Centre is planning to hold a special event on **1<sup>st</sup> Feb, 2019, 4:30-8:30 pm** (at **VMCC, IIT Bombay**). At this event, CESE's Vision will be shared for feedback and suggestions through open discussion amongst alumni, members of academia, industry, and government agencies. This highly stimulating discussion is expected to shape the future vision of the Centre in line with the actual requirements of the society and thus enabling us to meet our goal to become fountainhead and global leader in the field of environment.

In this context, we recognize you as a highly valuable resource, and invite you to participate in this event and provide your valuable suggestions which will shape the future of the Centre. The schedule is listed below:

- 4:30 Welcome address by **Prof. Joshi (Dean, ACR, IIT/B)**
- 4:35 Welcome & CESE vision introduction by **Prof. Mukherji (Head, CESE, IIT/B)**
